

Intense Professional Fishing Team

Phone: 251-605-9100 Email: intensecontender@yahoo.com

“The goal of the Intense Fishing Team is to represent our sponsors in the best possible way by helping to increase the visibility and sales performance of those companies. I believe that good sponsor relationships are built on trust, open communication and a proven track record of success.”

–Neal Foster, Owner and Team Captain

Team Intense is comprised of experienced and dedicated tournament fishermen with decades of combined experience, fishing the East and Gulf Coast and elsewhere. They fish hard and have fun doing it, competing in an average of 12 to 15 high-profile tournaments each year including the prestigious Southern Kingfish Association, in addition to being on the water nearly every available weekend as they chase everything from king mackerel to yellowfin tuna, wahoo and blue marlin from their home port of Mobile, Alabama.

The Boat

The current Intense is a 2016 Contender 39ST center console boat powered by triple 350hp Yamaha outboards. This gives the team an incredible edge in competition, having a fast and powerful boat

capable of eye-watering top speeds with a fishing-friendly open layout. A full complement of Garmin electronics including GPS/chartplotter, radar and more enhances the team’s fish-finding capabilities as well.

The Exposure

Team Intense is highly visible in many areas. The boat is fully wrapped with sponsor logos on display, both on the water and

as the team trailers the vessel to the many tournament locations across the southeastern United States. The team is also highly visible on social media, with over 10,000 active Facebook fans and a growing following on Instagram and Twitter. The team also participates in many regional and international boat shows, trade shows and sporting events. Connect with them today!

Current Sponsors

Team Intense is currently sponsored by Contender; Yamaha Outboards; Garmin; AmeriTrail; Cannon; Ocean-Tamer; Accurate; Ken’s Car Tunes; Tackle This Shoot That; Rigid and Under Armour.

Team Intense Top Tournament Wins and Finishes

Doing well in high-profile sportfishing tournaments is incredibly difficult, especially given the high level of competition found throughout the Southeast. Whether it's catching the largest king mackerel, releasing the most billfish for points or hunting for a trophy wahoo, Team Intense has a proven track record of success that's unmatched by any other team on the water today. And it's much more than just luck—preparation, skill and determination will yield consistency on the water. That's what led them to winning the "Team of the Year" on the Yamaha Professional Kingfish Tour in 2012. That's the Intense way.
